UI/UX Strategist & Content Designer, w/ MullenLowe U.S.

- Led strategic translation of new institutional identity into a digital-first experience system: user journeys, content hierarchy, and interaction logic in collaboration with MullenLowe U.S.
- Mapped end-to-end visitor journeys across digital discovery and physical attendance; designed content touchpoints to close the gap between digital engagement and in-space conversion.
- Operated as connective layer between institutional stakeholders, creative partners, and technical execution, aligning vision, brand standards, and delivery timelines.
